Replace EDAD 7100 Dissertation III with:

7100 Dissertation III

Continuous enrollment must be maintained each semester (Summer, Fall, Spring) until successful dissertation defense and graduation. Registration in EDAD 7100 Dissertation III satisfies the continuous enrollment requirement. Enrollment in this course is considered half-time equivalency for the semester. Students will receive a grade of IP (In Progress) for semesters enrolled in EDAD 7100 without graduating. For the semester in which graduation does occur, students will receive a grade of CR (Credit).
